**Dial 999**

**DO NOT** tackle the blaze yourself unless you can do so without risk of personal injury.

### **On Hearing the Alarm**

You should already be acquainted with the nearest escape route. Leave the building as quickly as possible by the nearest available exit, closing all doors en route if appropriate. Make your way to the outdoor assembly area outside the Ship Inn in Trafalgar Square and stay there until instructed otherwise.

**DO NOT RUN**

**DO NOT DELAY OR RETURN TO COLLECT PERSONAL BELONGINGS**

**DO NOT STOP TO USE THE TOILET**

**DO NOT RETURN TO THE BUILDING**

**DO NOT LEAVE THE AREA – GO TO THE ASSEMBLY POINT AND AWAIT INSTRUCTIONS FROM THE HIRER/RESPONSIBLE PERSON**

### **Fire Fighting Equipment**

#### **Main Hall**

Fire extinguishers at both exits and on opposite wall.

#### **Kitchen**

Fire extinguisher to left of entrance

Fire blanket to left of entrance.

#### **Upper Landing**

Fire extinguisher to left of stairs

**If a persons clothing is on fire lay the person on the ground to prevent flames reaching the head. Try to extinguish flames by wrapping a garment (such as a coat or jacket) around the person or use a fire blanket. Do not attempt to beat at the flames as this only adds more oxygen and makes the fire hotter.**
