Benches on Town Quay

Benches are provided on Town Quay to allow the public to enjoy the views and atmosphere of this bustling area.

In the “summer position”, (1st May to 30th September) benches are placed to allow public to use the benches and to deter vehicles from parking, return to “winter position” or winter storage from 1st October until 30th April.

Benches within the Town and Parish of Fowey

Any application for a memorial bench will refer points 1 and 2 above.

Flower Tubs on Town Quay

To enhance visitor experience, local businesses on the Town Quay should be encouraged to display hanging baskets, window displays and flower tubs. This will also support our Local Fowey in Bloom group in this very important focal point of the town. These displays should not interfere with the highway or endanger the public enjoyment of the Quay.

The Town Council will place planters on the Town Quay during Spring and Summer.

Signage on the Quay

Signs to be erected only with the approval of Fowey Town Council

Land Train has a licence to run from the Quay between 1st May and 30th September. The “Train”, will pull into the lower area of the car park for passengers to board. Permission for one advertising sign is contained in the licence.

Boatman’s Hut and signage advertising boat trips restricted to those boats with current licenses.

Old Grammar School Gardens

The OGSF is on a seven year lease from the Grammar School Foundation. Fowey Town Council employs a garden contractor to maintain these well used gardens in such a way that they are an attractive feature and a credit to the Town.

The lower garden will include “railway sleeper” seating from 2015, memorial nameplates from current benches will be included on these.

The Garden is not memorial garden, however if a family would like to make a specific donation to the upkeep of the Gardens in memory of a loved one this would be perfectly acceptable.
